2011-2015 Strategic Plan Goals (adopted by the Belchertown School Committee, 3/1/11):

- Goal #1: To have guaranteed (standards-based and implemented by all), viable (doable and accessible to every student), seamless K-12 curriculum in every content area.
- Goal #2: To have rigorous (standards-based), relevant (grounded in 21st Century skills), differentiated instructional practices with the ability to access the global learning community via technology available to every learner.
- Goal #3: To implement a plan to ensure that our students understand the importance of acceptance, tolerance, and respect supported by all adults in the community.
