MINUTES

- I. Call to order
Dr. Tsoumas called the School Committee meeting to order at 6:30 p.m.
- II. Finalist Interview for position of Superintendent of Schools – Mr. Timothy Lee, M.Ed.
Ms. Correira introduced the Superintendent candidate, Mr. Timothy Lee, who was present to be interviewed by the School Committee. She then turned the meeting back over to Dr. Tsoumas, who welcomed Mr. Lee and read an opening statement as to how the interview would proceed. The format of the interview consists of three parts: opening remarks by the candidate; seven prepared questions from the Committee members; closing questions and/or comments by the candidate.
Mr. Lee began with a discussion of his site visit today throughout the district, and the reasons for his continued strong interest in the position of Superintendent. The School Committee members then asked questions in turn with regard to resolving issues, curriculum development, management style, past experience with Student Support Services, community relations, learning from mistakes, and budget issues. Mr. Lee responded thoroughly and thoughtfully to all questions, often providing specific examples of his own experiences in these areas. He then asked questions of the School Committee regarding the roles of the Superintendent and the School Committee, the direction for improvement in the district, and the School Committee's evaluation of its work. Mr. Lee closed his remarks with an overview of what his entry plan would look like if he is selected as Superintendent.
